

HOW TO: Working With The New Upload Website
EIA-ID: 0521081520

Connecting to the site

Use the following URL - <http://www.ftpupload.expandmedia.com>

Important Information

There are three steps to complete the upload process.

1. Entering contact and project information
2. Uploading the file(s)
3. Receiving the confirmation e-mail

Step One – Enter the following information and Press Next

NOTE: There are six (6) required fields. These fields are indicated in red.

NOTE: There are two (2) hyperlinks. These links are indicated in blue.

Home / Upload Artwork

Upload Artwork

This is a 2 step process. Once you reach step 2, you will be able to send multiple files without re-doing step 1.

Notes

Upload

Select File to Upload

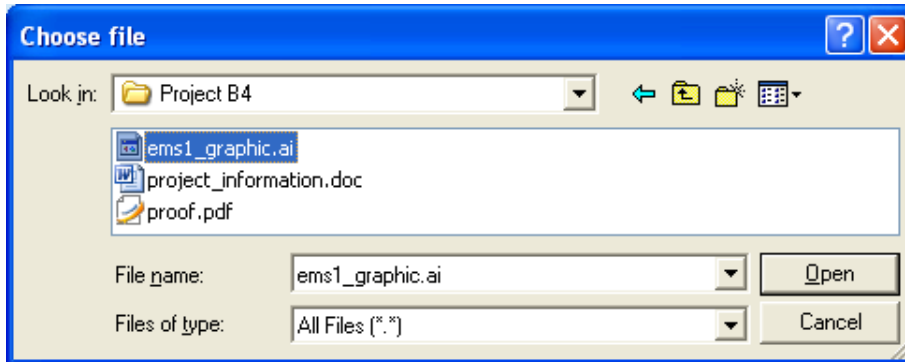

Use the *Browse...* button to navigate to the location containing the file (see *Uploading the Files(s)* for more information)

Notes

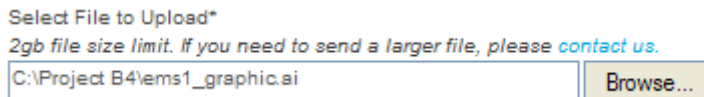

Enter any relevant information that *Expand* needs to know about the files or the project

Uploading the File(s)

1. Click the **Browse...** button
2. Navigate to the appropriate folder
3. Choose the first (or only file)
4. Click the **Open** button

5. Verify that the path is correct in the field

6. Click the **Upload** button
7. The file will be uploaded. You will see a progress bar with statistics.

8. When the file is done, you will be notified.

9. You can upload another file by repeating the steps above.
10. When you are finished, click the **Finish** button

Step Three – Confirmation E-mail

Upon completion, the website will notify you that all files have been uploaded.

Subject: File Upload Confirmation

John Doe,

This is a confirmation that the file ems1_graphic.ai file size 49951KB has been successfully uploaded to Expand for the project Aloro 13454.

We will start to pre-flight the file(s) as soon as we receive a purchase order that includes the files names and project name used when the files uploaded.

Please submit your purchase order via e-mail to usorders@expandmedia.com or by fax to 1-800-958-3020.

Thank you,

Expand International
