### Expand FlagStand 1

Expand FlagStand 1 is a lightweight, portable flag stand that is perfect for all outdoor events, marketing activities and campaigns. It is very stable even in strong winds and can be used in most weather conditions. This freestanding flag stand is available with a weighted base or with a ground stake and can be used on most surfaces such as snow, asphalt and grass. The materials of the Expand FlagStand 1 have been carefully selected to handle long term outdoor use.

1. Expand FlagStand 1 is delivered in a nylon bag for easy transportation.
2. A ground stake is available as an option to the weighted base.

3. For added stability, there is an extra weight that is placed in the middle of the weighted base (recommended for the tallest flag).
4. The weighted base offers stability and easily folds for transportation.
5. Optional stakes are available for soft surfaces like snow and grass.

Your logo, image or text will have exceptional visibility and the display is designed to swivel with the direction of the wind. Optional ground stakes are available for soft surfaces such as snow and grass. An optional weight is also available for added stability and should always be used for the tallest Expand FlagStand 1. The product comes in an easy to carry nylon bag and it only takes a minute to set up without a ladder or tools.
