

Expand BrochureStand

Bring your message to your target audience

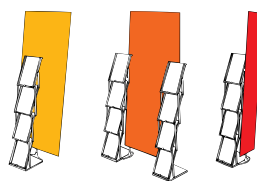

Load it with brochures even when collapsed.

The stable magnetic locking connector makes it very easy to move when set up.

Choose between four or five tray pockets.

Add a graphic to your brochure stand. Many different combinations are possible.

The Expand BrochureStand is a practical and easy-to-carry brochure rack. The pockets are spacious and will take various types of documents up to A4 format. Made from carefully selected material

and designed with precision the Expand BrochureStand guarantees problem free usage and a long lifetime. All components are recyclable. The BrochureStand is delivered in a durable bag.
