Pack your Expand MediaWall XL in the Expand PodiumCase, a transport box on wheels that easily converts to a spacious counter.

Expand MediaWall XL

This super size pop up wall makes you stand tall among the rest. It is both taller and wider than traditional pop up walls. Despite its impressive size it is easily set up by one person.

Pack it in our Expand PodiumCase, a combined transport box and counter that fits in your car. Spotlights are available to enhance the impact of your message.
