

LAYOUT INSTRUCTIONS:

- ART:** The red line indicates your final art size. Extend your background art to this red line. No additional bleed is needed.
- BACK TUBE EDGE & FABRIC CUT:** The black line indicates where the fabric will be trimmed away at the back side of the tube.
- OUTER TUBE EDGE:** The pink line roughly indicates the most outer edge of the tube.
- FRONT TUBE EDGE:** The blue line roughly indicates the front edge of the tube.
- SAFE ZONE:** The green line indicates the area to keep critical elements such as text, logos and critical photo elements inside of.
