**Nylon bag**  
It can also be transported in our nylon bag on wheels. (sizes 1x3–4x3)

## Expand MediaWall

The Expand MediaWall is our popular pop up wall that has the perfect curve to maximize the visibility of your message. Despite its size it is quick and easy to set up. It is one of the lightest pop up walls on the market.

It is available in five different sizes to fit different locations and meet various needs. Used for events, exhibitions and perfect as a backdrop. Complement it with our combined counter and transport box on wheels - the Expand PodiumCase.
