

Expand PodiumCase Double Closed

BRANDING & EVENT DISPLAYS

Create a wider counter by combining two shipping cases side-by-side. The Expand PodiumCase Double Closed delivers a more substantial counter presence with generous surface area to engage multiple customers simultaneously, showcase product lines, or create distinct counter zones for different functions. The seamless graphic wrap flows across both cases, maximizing your brand visibility and creating a cohesive, professional appearance. After your event, simply separate the cases for efficient individual shipping and storage. This versatile double counter solution adapts to booths of any size and maintains its impact year after year—just refresh the graphic wrap to keep your messaging current.

- Full graphic wrap on all visible sides
- Durable - just update the graphic when needed
- No unpacking required—case stays closed
- Pack and store your backwalls or event materials in it
- Also serves as a shipping cases on wheels
