

Expand PromoRollup

A cost-effective retractable display - when your requirements are for a large volume

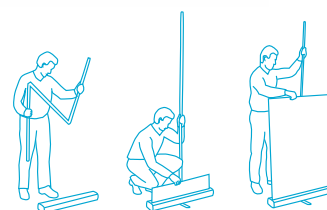

This retractable display is perfect for a specific campaign like a product launches, where you need to relay your message in multiple locations, at a cost effective rate that maintains high quality, durability and functionality.

The Expand PromoRollup is only available with a width of 85 cm and is delivered in a nylon bag (instead of a padded nylon bag with handles) and it has a 3 section pole (instead of the telescopic pole) – we cannot fit a spotlight to the top of it.

Width: 85 cm
Height: 200 cm
Weight: 3,5 kg
