

Expand TableThrow & TableRunner

Extra branding to enhance your display

Give your tabletop display a polished, professional look with a modern fabric Expand TableThrow.

A valuable enhancement to your booth:

- Lightweight
- Cost-effective
- Quick turn-around time*

See your brand, not your storage

Our table throws are a simple enhancement for your table at your next event or product launch and can nicely compliment the rest of your presentation. They are perfect for adding additional branding to your booth or tabletop setup while providing coverage for any additional inventory that is not on display.

The Expand TableThrow comes in convenient 4' 6" and 8' sizes as well as a convertible 6'-8' size.

Full Color Dye-Sublimation HDR Printing

Printing for the Expand Tablethrow is done with dye-sublimation, for excellent print quality. Create the perfect setting for your table top display by printing on any or all parts of the table cloth. Expand has invested in the latest state-of-the-art equipment and software. We continuously strive for the highest quality by devoting ourselves to regular training and process improvement. Our new high quality HDR printed graphics can make a big difference at your next trade show or event. [To learn more visit our website »](#)

Choose between Standard or Deluxe material

The Expand TableThrows are made from durable, easy-to clean, flame retardant materials that have a high color saturation and enable you to choose between a loose or fitted option. Our Standard material is a non-stretch woven polyester that is light and sturdy and our Deluxe fabric is a power stretch, wrinkle-resistant polyester. The Deluxe power stretch has with two-way stretch with a thickness of 20 MIL. Both the Standard and Deluxe materials can be washed without damaging the color, quality and resolution of the image.

Add an Expand TableRunner

Bring color, texture and an added interest to your table with a custom Expand TableRunner for your next event. When used with a table throw, a table runner can provide a feeling of elegance and tradition as well as create either harmony or contrast to make your table stand out from the competition. It can also be used in a more practical way to protect your table cloth from any unwanted messes or spills, great for food sampling.

Select from the same material options as our table throws and choose your size of either 30", 40" or 50" for your width and 80" for your length.

Dimensions:

Length: 86"
Widths: 4', 6', 8', convertible 6-8'
Table Top Depth: 30"

Expand TableRunners:
Length: 80"
Widths: 30", 40", 50"

Weight:

Standard: approx. 3lbs.
Deluxe: approx. 4lbs.

Expand also offers table runners in either 30", 40" or 50" wide sizes.

Our convertible option features Velcro® attachments that make it easy to switch between an 8' draped table throw and a 6' draped table throw.
